

ELECTRONIC FUND TRANSFER INSTRUCTIONS

(Revised May 2023)

Incoming Wire Transfers:

Note: All information listed below is required. If any details are missing or incorrect, this can result in your wire being delayed, misrouted, rejected, or unrecoverable. Wires must include member account number to avoid rejection of wires. Any non-wire fund transfer using this information may be rejected.

- 1. Bank Name/Receiving Financial Institution:**
Catalyst Corporate Federal Credit Union
6801 Parkwood Blvd, Plano, TX 75024
ABA/Routing and Transit number: 311990511
- 2. Further Credit/Intermediate Financial Institution:**
POPA Federal Credit Union
13304 Alondra Blvd. Cerritos, CA 90703
Account #: 322085318
- 3. For Final Credit to:**
Name: Your name as it appears on the account.
Member's Account Number: Your account number
Need to specify: Checking or Savings

ACH (Automatic Clearing House) Payments/Transfers within the United States:

- 1. Routing Number/ABA:** 322085318
- 2. Account Number:** 14-digit account number (MICR number)

You may obtain your 14-digit account number by:

1. Logging into your Online Banking account.
 - On *My Accounts* page, click on the name of your account to see your 14-digit account number and routing number.
2. Reviewing the bottom of each of your checks.
 - You will see three groups of numbers: routing number (322085318) appears as the first group, the 14-digit account number comes second, and the third is the actual check number.
